## Every Day Is.

"Is Friday an unlucky day to borrow money?" asked the old fogey.

"I don't know," replied the grouch.

"But I do know that it is an unlucky day to lend money."

## A Little Sermon.

Try to be kind in every way,  
Do not cause others sorrow;  
The good deeds that you do today  
Bring happiness tomorrow.

## Mean Brute.

"Don't you think that my sister has a heavenly voice?" asked Mrs. Gabb, when the lady in question had finished singing a selection.

"Sure I do," replied Mr. Gabb. "But I want you to understand that the word 'heavenly' means 'unearthly.'"

## Same Old Story.

She is a college graduate,  
She's smart, is Mary Ackward,  
But she, I am compelled to state,  
Gets off a street car backward.

## The Wise Fool.

"Prosperity has been the ruin of many a man," sighed the sage.

"That's right," agreed the fool.

"When some fellows get their hands on the horn of plenty they want to start out on a toot."

## Huh!

He asked for coin for car fare, so  
I gave it like a sooner,  
Although I knew that he would go  
And spend it for a schooner.

## Oh, Very Well!

(Sign on the door of a Rockford, Ill., hospital.)

NO CHILDREN ALLOWED

MATERNITY WARD.

## Quick, Watson, the Hypo!

He laid down by the sewer,  
He laid there till he died;  
The coroner held an inquest  
And said 'twas sewericide.

—Park Relbeck.

Yes, but You Don't Mean It That Way.  
Card of Thanks.—To those who so kindly assisted in the death and burial of my husband I wish to extend my heartfelt thanks. Addie Campbell.—From an Exchange.

## A-choo!

I'd sig a sog of giddle abrig,  
But I sad I'd a breeze;  
A sog of sprig I'd like to sig,  
Bud, gee! Waid dill I dseezel!

## Names Is Names.

That's as Near as the Composer Could Get to It.

William Ebrecht of Savannah submitted to an operation this morning for the removal of his uniform appendix.—Exchange.

## Things to Worry About.

Cucumbers were discovered in 1650.

## Our Daily Special.

We all hope for the best. But only a few of us expect to get it.

## Luke McLuke Says:

The only thing the average man knows about higher criticism is that his wife often bawls him out until he feels about as low down as a razor-back hog.

A woman likes to have a big closet in every room so she can have the pleasure of frisking through it for burglars every night before she goes to bed.

People who are afraid to hand you any back talk are not a bit behind your back.

The sort of man who gets highly peeved because he can't find socks that will exactly match his necktie never makes a very big dent in the sands of time.

There is just about as much fighting talk nowadays as there was before the telephone became a necessity, but there are fewer black eyes these days.

Old man smallpox is some unpopular. But he hasn't much on the only winner in a poker game after an all night session.

If men would work as much as they talk we would all have money.

Every now and then a man sits down and wonders why in Sam Hill his ancestors didn't have sense enough to buy real estate when the downtown section of his home city was selling for 10 cents an acre.

The old fashioned man who used to judge a newspaper by its editorial page now has a son who judges it by its sporting page.

If genuine diamonds were on sale in 10 cent stores and coal was worth \$1.00 an ounce, women would be wearing hanks of coal in their ears.

The reason why we like to brag about our public school system and the importance of education is because a hod carrier gets more pay than a school teacher.

Every bride imagines that older married women envy her during the honeymoon. But later on she discovers that what she thought was envy was merely pity.

When you are telling your pet funny story and the man you are telling it to interrupts you and says, "Old stuff, I heard that back in '76," you always hope that some day you will be on the jury when he is being tried for setting fire to an orphan asylum.

Poet Laureate.  
The office of poet laureate practically begins with Chaucer, who assumed the title about 1358. After Chaucer the office was more or less in the shadow, but from Spenser in 1559 the line of poet laureate is pretty well filled down to the present time. The office is largely honorary and has not always been held by the greatest of English poets. Dryden, Wordsworth and Tennyson being the most illustrious of its holders.—London Saturday Review.

## LOVE AND RESPECT.

The most essential thing in marriage is respect. It is above love, above compatibility. Respect will bring one through the most trying disagreements with no bruise on the soul, whatever wounds there may be in the heart. Therefore, men and women, never, never marry any one you don't really respect, however passionately you may love.

## Reasonably Modest.

"Isn't your friend Wiseun inclined to be just a little bit conceited?"

"Oh, not at all. He just thinks his views are bound to be right and everybody else's nearly certain to be wrong."

—Richmond Times-Dispatch.

## Ancient Troy.

The site of ancient Troy lies between the Dardanelles and the Arabian gulf in Asia Minor.

## Poetry and Pleasure.

The poet writes under one restriction only—namely, the necessity of giving immediate pleasure. Nor let this necessity of producing immediate pleasure be considered as a degradation of the poet's art. It is far otherwise. It is an acknowledgment of the beauty of the universe, an acknowledgment the more sincere because not formal, but indirect. It is a task light and easy to him who looks at the world in the spirit of love. Further, it is a homage paid to the native and naked dignity of man, to the grand elementary principle of pleasure, by which he feels and lives and moves.—William Wordsworth.

## Passing the Word.

We may not believe one-half we hear, but we don't hesitate to tell it all.—Philadelphia Telegraph.

## HEAR WITHOUT EARS

Police and Detectives Are using Lip Reading in place of the Dictagraph

Thousands of deaf people are today throwing away all hearing devices and enjoying all conversation. This method is easily and quickly acquired thru our system. Absolutely the only thing of its kind in the country. Our proposition is entirely original. We guarantee results. It will amaze you. Cost is trifling. See what New International Encyclopedia says on Lip Reading. Hundreds of people with normal hearing are taking up Lip Reading for the many additional benefits gained. You can understand what the actors are saying in the moving pictures. You can understand what people are saying just as far as you can see them. The eye understands beyond the range of hearing. Send no money, but mention this paper and state whether or not you are deaf. All particulars will be sent you absolutely free and with no expense to you. ## WHEN YOU ARE NERVOUS

you have the first symptom of a run-down system, and nervous people too often conceal their aches and pains and suffer in silence, while, if neglected, this condition often foreruns more serious trouble.

If those so afflicted would stop taking medicine containing alcohol or drugs which menace the foundations of health, and just take the pure, strengthening, nourishment in Scott's Emulsion, it would create new blood to pulsate through the organs, refresh their bodies and build up the whole nervous system. It is rich, sustaining nourishment, free from wines, alcohols or drugs. Shun substitutes.
